

# SECURITY ASSESSMENT

ARE YOU PREPARED WHEN IT COMES TO SECURITY?  
MANY ORGANISATIONS ARE NOT.

Cyber-attacks can happen any time, any day. They are scary, costly to remediate, and unfortunately all too common. This is why proactive protection and security of your IT environment is so important.

WE CAN HELP!

When it comes to security, you need an experienced partner. We are a pioneer in Enterprise Cloud technology for the ANZ market with a global reach. As a recognised Microsoft Silver Partner, you can count on our technical in-house expertise.

BEarena Australia | 1800 BEarena | [www.bearena.com.au](http://www.bearena.com.au)  
BEarena New Zealand | 1300 BEarena | [www.bearena.co.nz](http://www.bearena.co.nz)

Pick one, two or all three of the security assessments below. We will perform detailed analysis of your environments and provide actionable security insights. The ultimate goal: assessing your risks and providing the best solutions to keep your company safe & secure.
